## Virtual Recruiting Events:

The new way to recruit the best staff on a global scale

Making recruitment easier for both recruiters and job seekers alike, we're introducing our new Virtual Recruiting Events. Through live webinars, you'll be able to communicate to an audience around the world, from one virtual location, something that's often a struggle to do when recruiting on a global scale.

Webinars are a proven way to build relationships. Even better, participants can ask you questions that would normally wait for an interview, helping you to evaluate candidates faster, without the travel time and expense - it's a winning position for all!

### Why FlightJobs?

FlightJobs is dedicated to matching recruiters with aviation professionals across the globe through an online jobs service. We provide tailored solutions and recruitment plans to suit your needs and achieve greater business success. As part of **FlightGlobal**, our unrivalled expertise and complete view of the industry means we are not only in the best position to help you reach quality candidates, but also provide the best stage possible to promote your brand and vacancies.

### How the event works

These events will be built to your individual requirements and can include the following:

-  **Recruitment webinar**  
The live webinar works anywhere in all time zones, attract a broader range of qualified prospects within the aviation industry.
-  **Chat function**  
A live Q&A can help jobseekers learn about your organization, whilst helping you to evaluate candidates faster.
-  **Profile building**  
Promote your brand as an attractive career choice for future candidates with case studies and profiles from existing employees.
-  **Link to your live vacancies**  
Meaning real time applications can be made during their event.
-  **Event promotion**  
Marketing solutions for the event includes targeted emails, social media coverage, print and digital advertising on FlightGlobal and FlightJobs.
-  **Image gallery**  
Let candidates experience life at your organization through images of training facilities, aircraft and location.

By promoting your vacancies and organization through Virtual Recruiting Events you are speeding up the process of finding the right staff that fit your business.
